Dear Member,

On **March 27, 2026**, Adjala Savings will complete our merger with St. Stanislaus Credit Union. To align our computer systems, several services will be temporarily unavailable.

Both Debit Cards and Online Banking will be affected by this change. If you have one or both Services with Adjala Savings please see the instructions below.

Service Impacts

- **Debit Cards**
 - Will stop working beginning 5:00pm on **March 27**
 - New debit cards and PINs will need to be issued
 - For new cards: We will be open **Sunday March 29 and Monday March 30**, from 9:00am to 5:00pm for you to come and pick up your new card – new cards will be available during normal hours after Monday March 30.
- **Online Banking**
 - Will be unavailable from **March 27 to March 28**
 - Service is expected to resume **March 29**
 - To access your online banking for the first time on March 29 you will need to enter some new information. For the Login field use your current online banking Login. For the Password use your account number. If your account number is less than 6 digits, please add zeros (0) to the beginning of your account number to bring the total to 6 digits. This will be your temporary password. Example: If your account number is 123, please add three zeros to the front of the number for a total of 6 (000123) and enter this new temporary password into the password field.
 - After successfully logging in please follow the instructions on the screen.
